CUSTOMER'S OWN MATERIAL—C.O.M.

C.O.M. fabric must be approved prior to acceptance of the order. The material must be provided in 54" wide continuous yardage. All fabric will be directionally cut straight off the bolt unless otherwise specified. A C.O.M. form must be filled out and submitted along with purchase order. Yardage requirements listed are for small patterns or plain materials. The material must be shipped to the factory prepaid and with proper reference to the order. Source International is not responsible for appearance, performance or durability of C.O.M.

WOOD FINISHES

Wood finish names such as Mahogany and Cherry describe color only, not wood species. Stains are applied to maple or similar woods. Wood surfaces have natural variations in grain and porosity and absorb stains differently which may result in variations of final color.

The premium veneer options available on limited products have a clear coat finish.

WARRANTY

The customer's complete satisfaction is our goal. All chairs are guaranteed against structural failure for a lifetime of normal commercial use by the original purchaser. All mechanisms and controls are guaranteed for a full five years and all upholstered materials for a full three years of normal commercial use (single shift) or a prorated equivalent for multi-shift use.

RETURNS AND ALLOWANCES

No merchandise may be returned without a return authorization and shipping instructions. No credit or allowance will be given for repairs to defective materials unless Source International has given authority to make such repairs.
