Custom wood and painted finishes are available on all wood products. Provide sample to be matched with order—small set up fee will apply. Above images are for reference only and should not be used for color matching. Please request a finish sample from the factory. Please note the Lifetime Structural Warranty does not apply to painted finishes. Painted finishes should be specified with consideration of the environment they will occupy. Although a clear sealer coat is applied during production these finishes are topical and they can scratch, dent or mark if treated in a rough manner. If left in direct sunlight for extended periods of time you will notice the color will fade and/or change.
